Amerinet Strategic Alliance for Financial Efficiency

Opportunities to optimize cash flow can exist at any point in the revenue cycle, from patient access to account maintenance and contract compliance. The same is true when considering organizational and quality improvements. Creating operational and revenue enhancements may also require resources and expertise that a healthcare provider may not have on staff.

The Amerinet Strategic Alliance for Financial Efficiency (SAFE) — a partnership of a select group of leading revenue cycle management, financial and organizational performance suppliers — is a unique collaboration designed to optimize organizational effectiveness and revenue capture, including scheduling, pre-registration, charge capture and entry, coding and collections, AR management and remittance processing.

Through Amerinet’s group purchasing contracting efforts, these award-winning solutions are available cost-effectively — so you can align the solutions your organization needs to reduce costs, generate revenue and achieve financial health to best serve your communities.

Getting Started

1. **Align**
   
   Become an Amerinet member and reap numerous benefits of the network of cost-saving solutions, including access to SAFE.

2. **Assess**
   
   Gain understanding of how improved returns, increased productivity and better compliance offered by SAFE can benefit your specific organization. Amerinet offers consulting services and discounted access to solutions from SAFE partners to guide implementation and maximize the impact of each initiative.

3. **Advance**
   
   Implement the solutions that are right for you. Optimize your organization’s financial efficiency — and be in a position to better serve your community.
